Dear Parents/Guardians:

Greenbush Child Caring, Inc. is pleased to announce that we have entered into an agreement with the Averill Park Central School District to provide school-age child care services at Miller Hill-Sand Lake, Poestenkill, and West Sand Lake Elementary Schools.

I have begun the application process in an effort to obtain operating certificates from the New York State Office of Children and Family Services so we may provide licensed child care at each facility. Once we receive a license to operate we will notify families and begin the registration process for the before and after-school programs.

I anticipate opening the programs in time for the 2011-2012 school year.

Our program information, including our parent handbook can be found on our web site at www.greenbushchildcaring.org

My staff and I look forward to the opportunity to provide quality child care for you and your family.

Sincerely,

Kimberlee Berben
